

VOICES OF GIVING
SPONSORSHIP OPPORTUNITIES
June 22, 2023

For 25 years now, **Voices of Giving** allows GCPGC members to recognize philanthropists who have made a bequest or other planned gift. It specifically celebrates the generous spirit of these philanthropic individuals whose gestures help to ensure the long-term welfare of the many local nonprofits which make our community so special.

Through the recognition of donors, **Voices of Giving** also assists in the promotion of gift planning in the general public through the news media. Professional advisors are also recognized for their efforts in educating their clients about the benefits of leaving planned gifts to charity.
